You are cordially invited to this year's Open House at Arroyo Seco. We hope you'll join us in celebrating the success of our students, staff, programs, and activities. You'll be able to visit classrooms, meet faculty, and observe the many academic challenges your child has successfully participated in this school year.

Please refer to the schedule below to see when your child's team teachers will be in their classrooms. Programs will be available at the front entrance of the school during Open House and will include a school map, special activities and events, and general information. Mark your calendars!
